October 17, 2014

1255- End of sea passage. Notice of readiness tendered. Vessel drifting outside traffic zone limits awaiting passing of hurricane Gonzalo.

October 18, 2014

Vessel drifting outside traffic zone limits awaiting passing of hurricane Gonzalo.

Due to passing of hurricane Gonzalo we are unable to confirm berthing schedule at this time. The Placentia Bay Weather committee are meeting again at approx 1030hrs today Oct 19th for discussion. Basis improved conditions we have placed a tentative arrival Pilotage notice for 1500hrs today.

When weather permits your vessel will be berthing on arrival port side to berth 1. Connection will be 1 x 16"

October 19, 2014

All goes well we expect to start moving ships later today. Right now expecting Pilot boarding 1500. Please advise if you can move with 4 hrs of the Pilot station and we will provide a 4 hr confirmation by 1100 this morning.

Brgds
